

LSS

LED blue light lamp KBL

Device for wall mount or distribution box installation.

Features:

- no lamp replacement required
- easy installation
- robust sheet steel housing
- no maintenance necessary
- lamp life approximately 10 years
- low power consumption

Available in two models:

- Version 24N: 24V DC, dimming via pulse width modulation
- Version 230N: 110-250V AC, not dimmable

Illuminants	4x 1100mcd LEDs blue oval / beam pattern ca. 35°x 80°
Protection class	IP 30 SK III
Housing	1,5 mm sheet steel housing / RAL9005 powder coated choosable surface mount or flush mount
Installation	wall mounting on four long holes in rear wall
Power supply	version 24N: 24V DC / 0,02A / 0,48W dimmable via PWM (pulse width modulation) version 230N: 110-250V AC / 0,02A / 5VA not dimmable cable feeder for both versions via screw connection M20
RoHS-conform	yes
Dimensions	W x D x H 80 x 25 x 80mm (without surface mount housing) W x D x H 80 x 60 x 80mm (with surface mount housing)
Weight	0,17 kg (without leads)
Order numbers	version 24N: L01002 version 230N: L01006 surface mount housing: L01003
